WAYSIDE HOUSE Christmas 2019

A village humble, still, a guiding star above,

A shepherd watching on a hill, a mother heart of love –

A child is born of grace, brings peace to all the earth,

While angels sing their joyous praise, and glorify his birth. (Hymn 434)

Christmas gratitude from a Christian Science nurse:

Last year I attended 2 seminars on Christian Science nursing. They completely changed my life. In a worldly sense, I packed up my "comfort-zone-life" in Calgary and have begun a new life at Wayside House with the Christian Science nursing team in Victoria. Since then I've taken some official Christian Science nurse's training at Wayside where I've learned to deeply delve into Mary Baker Eddy's writings and the Bible for all the answers to questions regarding Christian Science nursing. Right after my classroom training I was introduced to the residents of Wayside and the daily duties of a Christian Science nurse. I realized, "Oh my gosh, I am really here!" Not only do I have the privilege of witnessing healing every day, but I am also being blessed by experiencing my own healings. I am so grateful to be a member of this amazing team!!

With gifts of healing in his wings, To light the Christ now guides us,

The heart that knows him burns and sings, For endless joy betides us." Hymn 392

Christian Science Nursing

As always, we provide Christian Science nursing to those relying on prayer for healing and requiring practical care.

- BATHING AND PERSONAL CARE
- MOBILITY ASSISTANCE
- MEAL ASSISTANCE & FOOD MODIFICATIONS
- FULL BED CARE (24 HOURS)

Benevolence Available

The **Christian Science National Benevolence Fund** was established in 2011 to help those who face significant financial challenges in covering the cost of Christian Science nursing and practitioner care in their reliance on Christian Science for healing. For more information please contact the Fund by mail #808 - 35 Church St. Toronto ON, M5E 1T3, or email secretary@csnbf.ca.

Spiritual Renewal Special. Come for more than 1 night and receive 1 night FREE!!

YOUR DONATIONS help to support the accessibility of Christian Science nursing for the whole Canadian Christian Science community. Even if you may not require this care, you will be helping those who do. ***Thank you!!***
