

WAYSIDE HOUSE

Spring 2016

A NEW BEGINNING FOR WAYSIDE AND A FOND FAREWELL

Margit Waterman, who has been our Nursing Coordinator for many years, has retired exactly 30 years to the date she started. Originally from Germany, Margit trained at Hawthorne House in England and Tenacre in the US before emigrating to Canada to pursue her career as a Christian Science Nurse at Wayside House.

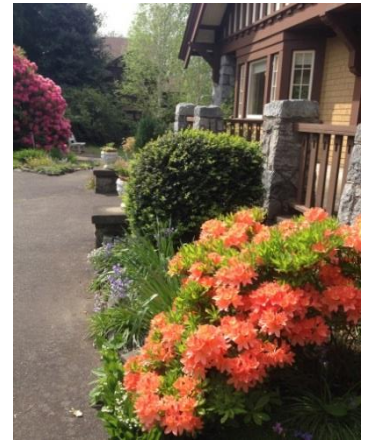

At her recent retirement party we thanked Margit for her spirit of hard work and dedication. Her professional nursing skills and commitment to Wayside have been greatly appreciated. Margit is looking forward to not getting up at 5:00 in the morning and to having a more unscheduled life! She will be continuing with nurses' training, home cases and organizing the upcoming Canadian Christian Science Nurses' Conference this fall in Victoria.

Wayside is delighted to have a dedicated staff of Christian Science Nurses working under Caroline Holm as Nursing Coordinator and member of the Management Team. Our BC nurses are featured in the photo.

L to R - Elaine Coleman, Faye Winchester, Alyson Shone, Deidre Hill, Russ Mott, Dean Wolfe, Hank Peters, Front Row - Caroline Holm, & Margit Waterman.
