SUPPORT THE ROLE OF THE CHRISTIAN SCIENCE NURSE

YOUR DONATIONS to Wayside House are not only a gift to help us with our operating expenses; they also contribute to the future of Christian Science nursing in Canada. Wayside House is the only facility in Canada that offers on-the-job training and mentorship for students pursuing a career as a Christian Science nurse. Our popular "Nursing the Babe of Christian Healing Workshop" provides an introduction to the field and teaches practical skills for friends and family who want to care for their loved ones in their own homes.

SUPPORT YOUR FELLOW CHRISTIAN SCIENTISTS

YOUR DONATIONS also help to support the accessibility of Christian Science Nursing care for the whole Canadian Christian Science community. Even if you may not require this care, you will be helping those who do. *Thank you!*
