

# WAYSIDE HOUSE

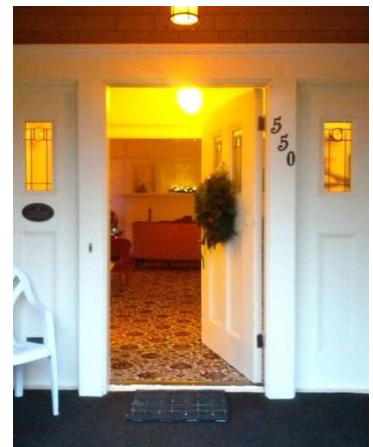

## Christmas 2015

"FOR GOD SO LOVED THE WORLD THAT HE GAVE HIS ONLY BEGOTTEN SON, THAT WHOSOEVER BELIEVETH IN HIM SHOULD NOT PERISH, BUT HAVE EVERLASTING LIFE. (John 3:16)

A Christian Scientist was praying about a physical challenge and was inspired to pray with the above sentence from John. The angel message came to him, "For God so loved the world that He gave it Mary Baker Eddy and Christian Science." And then, after further prayer this angel thought came, "For God so loved the world that he gave it you!!" And at that point he was healed.

We would like to add here the thought that **"God so loved the world that he gave it Christian Science Nursing"**.

All the activities that Mrs Eddy included in her Church Manual were inspired by Divine Love and through nursing and being nursed we can all feel the full embrace of Divine Love itself. All of us here at Wayside send you a very warm Christmas hug!

We are excited to announce our very first Canadian Christian Science Nursing Conference to be held in Victoria, BC. Christian Science Nurses from across Canada will come together on Oct 13th - 15th, 2016 to discuss a variety of topics on CS Nursing.

The mission for this conference is to get to know one another better, to establish better networking within the Canadian CS nursing field, and to get a clearer idea of what the future of CS nursing in Canada will hold for us. If anyone would like to donate to the event, please write out a cheque and send it to: "*Canadian Christian Science Nurse Conference*" (CCSNC), 550 Foul Bay Road, Victoria, BC, V8S 4H1, c/o *Organizing Committee* (Sorry, no tax receipts available).

Thank you from the planning Committee: Margit Waterman, Dean Wolfe, Allison Goldberg and Shannon Hodgins

## *Supporting the role of the Christian Science Nurse*

YOUR DONATIONS to Wayside House are not only a gift to help us with our operating expenses, but they also contribute to the future of Christian Science nursing in Canada. We frequently offer a weekend workshop teaching how to nurse a family member or friend at home. A number of the participants have gone on to take our Introductory Nursing course, which prepares them to work here at Wayside.

## *Supporting your fellow Christian Scientists*

YOUR DONATIONS help to support the accessibility of Christian Science Nursing for the whole Canadian Christian Science community. Even if you may not require this care, you will be helping those that do. *Thank you!*
