

# WAYSIDE HOUSE

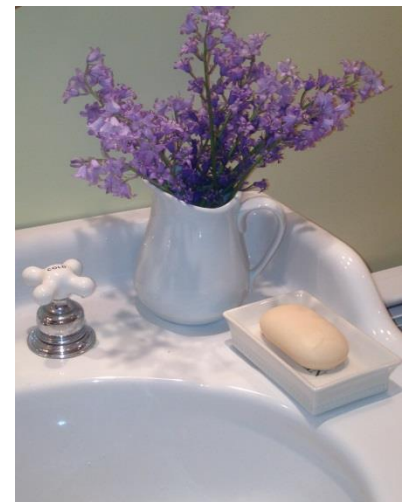

Spring 2015

Mrs. Eddy refers to "sweet seasons of renewal like the returning spring" (Science and Health pg. 57) and later on page 582 she itemizes this renewal in her definition of Benjamin:

- ✚ Renewal of affections
- ✚ Self-offering
- ✚ An improved state of mortal mind
- ✚ The introduction of a more spiritual origin
- ✚ A gleam of the infinite idea of the infinite Principle
- ✚ A spiritual type
- ✚ That which comforts, consoles & supports.

We invite you to join us this spring for a time of Spiritual Renewal; for a time of deep study in an atmosphere "which comforts, consoles and supports." Our four beautifully appointed Spiritual Renewal rooms have modern ensuite bathrooms. We offer three meals a day or Bed & Breakfast, strolls in our gracious garden or walks to the nearby beach. We would love to have you visit us soon!

## **SUPPORT THE ROLE OF THE CHRISTIAN SCIENCE NURSE**

**YOUR DONATIONS** to Wayside House are not only a gift to help us with our operating expenses; they also contribute to the future of Christian Science nursing in Canada. We frequently offer a workshop teaching how to nurse a family member or friend at home. A number of the participants have gone on to take our Introductory Nursing course, preparing them to work at Wayside.

## **SUPPORT YOUR FELLOW CHRISTIAN SCIENTISTS**

**YOUR DONATIONS** also help to support the accessibility of Christian Science Nursing care for the whole Canadian Christian Science community. Even if you may not require this care, you will be helping those that do. *Thank you!*
