

# WAYSIDE HOUSE SPRING 2019

“A grateful heart a garden is  
Where there is always room  
For every lovely, Godlike grace  
To come to perfect bloom.” Hymn 3

## **A recent guest sent this lovely letter of gratitude!**

My stay at Wayside has been absolutely Divine. The moment I walked in the door I felt the warm, loving embrace of being cherished. My initial response to coming to Wayside wasn't a positive one. I had many human concerns. How was I going to pay my bills, how was I going to get there, would the ferry ride be too much? But I knew in my heart that it was the right idea and in 24 hours I had a complete change of thought. Surprise, surprise again, every detail was taken care of. The staff at Wayside are truly God-sent. The cooks, the housekeepers, the nurses, the office staff are all so kind and loving, going the extra mile. And those meals - WOW!! I am totally spoiled. The care of the nurses was so tender, thoughtful and cheerful, as well as professional. I can't say enough good about Wayside. If you have any doubts, put them in error's garbage bin, and leave them there. Wayside is truly a home full of God's Love.

Our **ANNUAL MEETING** this year will be September 14th. Our speaker will be Sharon Leman, C.S. a Christian Science practitioner from Etobicoke, On. Sharon was the keynote speaker at last year's Canadian Christian Science Nurses' conference in Toronto. Her topic is 'Prepare ye the way of the Lord.'

## **SUPPORT THE ROLE OF THE CHRISTIAN SCIENCE NURSE**

Christian Science nursing is a very rewarding career filled with opportunities to witness and support Christian Science healing. There are various ways to learn how to become a Christian Science nurse. Wayside House is now offering the 'Le Verger' training-mentoring program on site with our local Christian Science nursing instructor, Margit Waterman. 'Le Verger' offers individualized one-to-one Christian Science nurses training and mentoring within the facility as well as in the field. The program is flexible and adaptable to the needs of each individual student. Contact Wayside House for more information.

## **SUPPORT YOUR FELLOW CHRISTIAN SCIENTISTS**

Your donations help to support the accessibility of Christian Science nursing for the whole Canadian Christian Science community. Even if you may not require this care you will be helping those who do. THANK YOU!

## **BENEVOLENCE AVAILABLE**

The Christian Science National Benevolence Fund helps those who face financial challenges in covering the cost of Christian Science nursing and practitioner care in their reliance on Christian Science for healing.
